Delivery & Ordering Conditions

FREIGHT FREE DELIVERY

Orders over **\$75** (Young customers) or **\$125** (all other areas) qualify for freight-free delivery on your scheduled delivery day. Orders below these thresholds will incur a small delivery fee.

URGENT OR OFF-SCHEDULE DELIVERIES

If you need a delivery outside your scheduled day, we'll do our best to arrange an alternative courier — please contact us first, as additional costs may apply depending on parcel quantity and size.

Urgent Ink & Toner orders can usually be delivered overnight via direct dispatch from our supplier warehouse at a flat fee of **\$15**.

PLACING YOUR ORDER — IMPORTANT LEAD TIMES

We place supplier orders on **Tuesdays and Wednesdays** each week, with goods typically arriving in our warehouse within **1–4 business days** of ordering. Because some suppliers have minimum order requirements and set dispatch days, we can't always guarantee same-week fulfilment for late orders.

To make sure your order arrives on your delivery day, please **submit by the Monday or Tuesday of the week before** your scheduled delivery.
